MECS	LOC Referral Form	Refer to practitioner on MECS scheme via LOC referral form. Patients can self-refer or present having been sign-posted by any health care provider. Details of participating practices & conditions at: https://essex-loc.org/enhanced-services/enhanced-services-mid-south-essex/ in the MECS section
Post Op Cataract Service	Electronically via Opera system	Emergency referrals: speak to on call Ophthalmologist as above. Routine complication referrals to the original provider If appropriate, second eye / routine referrals done through OPERA.
Suspect Eye Cancers	LOC Referral Form	Follow the urgent pathway, clearly marking the referral as "suspect cancer". (Not for small naevi queries)

Electronic referrals directly to the hospital are advised via the electronic referral platform - OPERA. Please contact enquiries@essex-loc.org for details.

All routine referrals are now required to be triaged in the hub. Your patients may be redirected to a more suitable community service.

In all cases you should choose the best referral pathway for your patient.
